

Terms of Use

Effective Date: 1st July 2025

1. For Healthcare Professionals Only

This microsite is intended solely for Registered Medical Practitioners and qualified healthcare professionals. By accessing this site, you confirm that you are authorized to receive scientific or promotional information related to prescription immunotherapy products.

2. Purpose and Scope

The information provided on this site is intended for educational and scientific awareness purposes relating to an injectable immunoglobulin and histamine complex used in the management of allergic conditions such as chronic urticaria and allergic rhinitis. The content is not intended to replace clinical judgment or prescribing decisions.

3. Medical Disclaimer

This site does not provide medical advice, diagnosis, or treatment recommendations. Healthcare professionals should consult approved prescribing information and consider individual patient needs before initiating any therapy.

4. Content Ownership and Use

All content, including but not limited to text, graphics, infographics, and downloads, is the intellectual property of BSV unless otherwise stated. Reuse, modification, or redistribution of content is prohibited without prior written approval.

5. Adverse Event Reporting

To report any adverse events or safety concerns related to the use of immunoglobulin and histamine complex, please contact:

✉ pv@bsvgroup.com

BSV adheres to national pharmacovigilance requirements to ensure patient safety and compliance.

6. Privacy Policy

This microsite adheres to the privacy and data protection policies outlined at the BSV corporate level.

Please refer to the full Privacy Policy here:

🌐 www.bsvgroup.com/privacy-policy

7. Changes to Terms

BSV reserves the right to modify these Terms of Use at any time. Continued use of the site signifies your acceptance of any updated terms.
